

# Commercial vehicles routed to Kirtland Gate

The next time you purchase something that will be brought onto the base in a commercial vehicle, remember to tell the contractor or delivery service to use the Kirtland Gate at the west side of the base.

Commercial vehicles, regardless of size, will not be permitted entry at the Wyoming, Gibson or Eubank gates.

The policy is part of a Kirtland AFB instruction supplement to Air Force Instruction 31-204, that became effective during higher security after the 2001 terrorist attacks.

Kirtland Gate hours are Monday-Friday, 6 a.m.-4 p.m.

On weekends and holidays, or during nonduty hours, contractor vehicles should enter at the Truman Gate.
